

QCY H2 Pro Wireless Headset

Overview

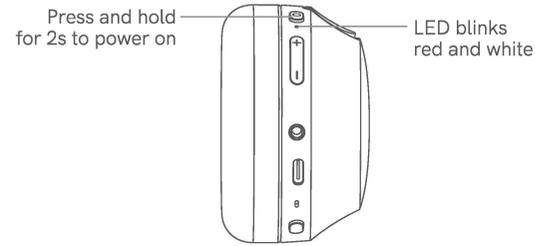

For better using experience, please scan to download QCY app before start-up.

Above pictures are for reference only yet practical product may vary.

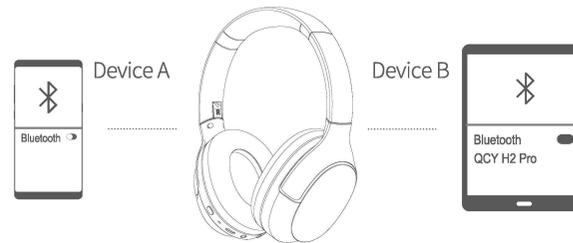

How to Connect

Power on headset and it will auto turn connectable. On phone, search QCY H2 Pro and tap to connect. (It will auto reconnect to the last device in connectivity record, if any. If you need to make it turn connectable again, please power off and hold MFB for 4s.)

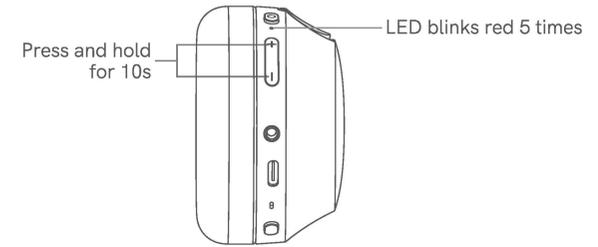

Multi-Point Connection (Max. 2 Devices)

Connect headset to Device A then turn off its Bluetooth function and the headset will auto turn connectable (LED blinks red and blue). On Device B, search QCY H2 Pro and tap to connect. Once again turn on Bluetooth function on Device A and connect it to the headset.

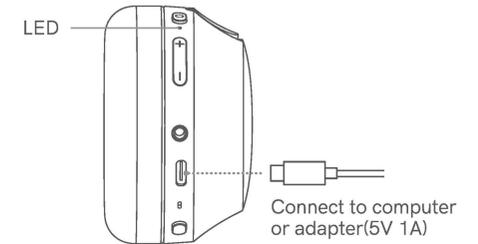

Factory Setting

Power on headset, press and hold both volume + and - for 10s or until LED blinks red 5 times to reset it factory. It will then auto turn connectable.

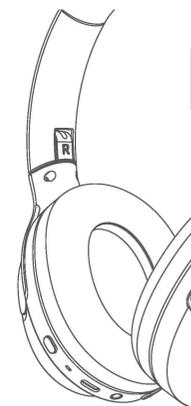

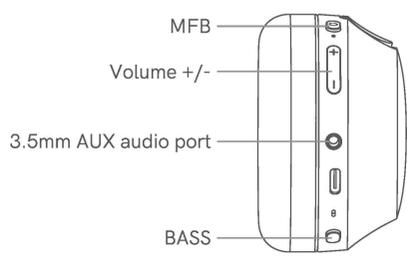

LED

Connected: LED blinks white every 10s

FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
--Reorient or relocate the receiving antenna.
--Increase the separation between the equipment and receiver.
--Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
--Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Tips

1. Before using the headset, please read the manual carefully and keep it for future references.
2. The headset need to be fully charged prior to first-time use.
3. If the headset are left unused for over two weeks, please recharge.
4. Please use the chargers made by qualified manufacturer.
5. If headset fail to be found by phone, please re-turn them connectable or restore factory settings. If a program error of phone occurs, please turn off and on Bluetooth function or reboot the phone.

Caveats

1. Never disassemble or modify your headset for any reasons to avoid any damages and danger.
 2. Do not store the headset in extreme temperatures (under 0°C or over 45°C).
 3. Avoid using the indicator close to the eyes of children or animals.
 4. Do not use the headset during a thunderstorm to avoid dysfunction and increasing risk of electricshock.
 5. Do not use harsh chemicals or strong detergents to clean the headset.
- Note: please do not use headset for a long time as may damage your hearing.
